Mark,

The 250 + is a pool that includes all the names that we need sworn in.

This is to ensure we have enough long term capacity to support the 50 we provide daily. This is simply the roster to fulfill the ask and does include the TSG. (TSG is focused on Protective Policing at this time)

This is to fulfill the need for OPS and for our needs. We have not expanded on our commitment, we are pooling names so as to be able to cover the existing commitment.

Mike

Mike O and Ches,

The Commr is going into to call (1300 and 1400) where it is expected she will need to speak to the "250" resources from the RCMP Chief Soly announced yesterday.

I know Ches requested 250 to be sworn as a number in the MOU.

We need information for the Commr before the 1300 call what the resources are, when they are coming, etc...

I understand this likely includes Tac Troops...

Need clarity now. What can the Commr say? She can be General but there needs to be some detail.

Thanks,

Mark
